Open AA Events / Meetings

As stated in our Traditions, Al-Anon cooperates with AA and guides us to encourage and understand our alcoholic relatives. We can do this by attending open meetings of Alcoholics Anonymous with the purpose to learn more about the disease of alcoholism.

Volunteering at the Service Center

Why I like to volunteer...

Service keeps me busy and my mind off of problems in my own family.

Lots of good literature to read all around me – especially any new literature and flyers of upcoming meetings.

Makes me feel good if I can help a caller who has questions about Al-Anon, and I can give them support as well as the location of a meeting near them – plus website.

I love seeing Jeri and being a part of the Al-Anon community and what it stands for!

- Marion S.

P.S. I Love Alateen – Hope for Children of Alcoholics

Why I like to volunteer...

Last fall I finally decided to volunteer at the Service Center. It is my way of giving back. When I did my day the end of June I found my name had been selected at the ISR meeting drawing for the \$15.00 literature certificate as a thank you for service!

To say volunteering is rewarding is oh so true. I would encourage those of you who have not tried it to call the office. It is easier than you think.

- Ella E.

Why I like to volunteer...

The bigger world of Al-Anon opens up to me when I volunteer at the service center. I can give a caller information about meetings, write receipts for donations, or stock the shelves with the experience, strength and hope found in our literature. When I mail out an information packet in response to a phone call, I am giving hope to someone living with the effects of the disease of alcoholism. My home group gives me understanding, hope, and laughter, and my volunteering helps the flow of information from the service center to our group. It's life-giving to be in a group, but it's even more fun to help behind the scenes to make it all happen.

A lovely bonus is a drawing every two months for a chance for a volunteer to win \$15 worth of literature. I won in April, and chose "Hope for Today", since that's what Al-Anon gives to me.

- Penny G.

Why I like to volunteer...

I'm very appreciative of what our Al-Anon Service Center provides me. I believe it keeps me striving within myself, it gives me insight and I have learned qualities I can apply to my everyday life, such as: my self-esteem, my leadership, and my confidence. I believe in my ability to offer Al-Anon to customers. Giving a few hours here and there is my way of giving grateful and sincere effort to spread happiness! I really love refilling literature, I enjoy talking with the staff, and the "HOLD" button is great for when I have to gather my composure. Finding solutions like that is fuel, so when I'm not there, I don't cower out of fear (mostly). I can pause...gather a plan... and positively strive forward. Taking the initiative to volunteer for such a wonderful cause fills me with the leadership and confidence I need to stand up for myself. I love my program and I squeeze with love. My best love is when I see literature I get to say, "That could be a piece I helped with!" We stay like a well-oiled machine, when we keep volunteering our services to Al-Anon. These are just a few of my light bulbs of clarity I found by volunteering at our Service Center. Thank You, Al-Anon for teaching me to love and respect myself.

- With Sincere Love Always, Sharon D.

Website Event Posting Position

Complete directions for webmasters are provided. Contact us at webmaster@alanon-wi.org with any questions. It would be great to have you on our team!

Requirements

1. Windows Operating systems. Not sure if Mac users would be compatible. We would need to verify.
2. Commitment of ~1-2 hours per month. Depending on the number of webmasters, the rotation is 1 week every 3-4 weeks. Week runs Wednesday thru Tuesday. Any emails coming in during that week are their responsibility. If we need to trade (vacation, etc.), we ask the group.

Proficiencies

1. File Explorer. Webmasters use a similar program (free FTP - file transfer program) to move files to and from the website.
2. Notepad ++ (free) or Notepad (free). They are very similar. We use it to edit HTML, used to create many of the more static documents on the website. HTML is text with some format markings. No knowledge of HTML is needed, as the instructions will provide what to do. Typically, we help each other when we need to update these and we do not need to very often.
3. Word. Either Microsoft Office or WPS Office works to edit the Secretary Corner. WPS Office has a free version. It puts a watermark when you print.
4. PDF. Documents such as Secretary Corner and Volunteer Calendar are printed to a PDF file, a format that all users can read. It simply requires printing to a PDF file rather than to a printer. A PDF print option may be already on the computer or free downloads are available.
5. Adding events to the Events page is done using a custom application. A template is completed with all pertinent information.
